including property and business

## About FHC Mediators for Dispute Resolution

Our FHC Mediation Panel includes:

- › Accredited civil and commercial mediators with a particular emphasis on medical, clinical and healthcare.
- › All experienced at specialist and consultant level.
- › Work independently of any hospital or healthcare organisation.
- › Those who have experience within policing, prison and security sectors.
- › Those who have experience in commercial, finance, business, property, marketing, education and related sectors.

FHC Mediators offer:

### Quality

- › Highly experienced mediators who have mediated in over 1000 commercial cases.
- › Highly experienced professionals who comply with the European Code of Conduct for Mediators.
- › Highly experienced administrative team with over 12 years track record of managing complex cases for a variety of instructing bodies and clients.

### One Stop Solutions

- › Single phone call to confirm availability and book any of our mediators.
- › Immediate access to these mediators' diaries for enquiries and bookings.

### Cost-effective Mediation Management

- › Established and effective administration with costs agreed and defined rapidly and transparently.

### UK-wide Mediation Locations

- › Access to a range of mediation locations of desired quality.

### UK-wide Mediation Locations

- › If required, on choice of mediator and the appropriateness of mediation.

FHC for Mediation is a member of the CMC and is a fully accredited mediator provider.
